

Martin Memo 3/14/16

- Parent Conferences and the Book Fair begin tomorrow. We look forward to meeting with you all! Just a reminder that these days will be half days of school for students.
- Spirit Week is this week-don't forget your crazy hair, mismatched clothes, sports jerseys and 80s gear.
- Irish Step Dancing presentation for the school by a former Martin student **3/18**
- World Down Syndrome Awareness Day **3/21**. Wear special socks and consider making a donation to support Connecticut Down Syndrome Congress. An informational letter will come home tomorrow.

- Throughout conference week there will be a suggestions box out on the table by the entrance. Please consider submitting any questions, concerns, or suggestions you may have. Submission can be anonymous.
- Congratulations to Keegan Sears who is the first third grader to master his math facts in all three operations. Way to go Keegan!
- All of the first grade classes received new tools for their imagineering/creation station time. We can't wait to see what they will create!
- Next week the staff will have the opportunity to attend the second portion of the Yoga4Classrooms professional development. This training is helping all students with their mindfulness and focus throughout the school day.
- This past week's students of the week included: Susan O., Torrey L., Margaret R., Kennedy S., Abraham R., Caden C., Aiden M., Vandalee M., Miana Q., and Keith O. Congratulations! Be sure to check out the "wall of fame" on our Martin sign by the office to see all of the students of the week from the past month.
